Signup with an e-mail and password. Use your uconn.edu email to register.

EDITING YOUR PROFILE

- Complete your profile. *The more information entered into the system, the greater the benefits for students and the school.*

BACKGROUND

- Select the pencil on the right side to edit and include your information for each of the subheadings Personal, Preferences, and Education. If unclear about what is expected, hover the arrow over the question mark for information.

OUTCOMES

- Post-Graduation Outcomes: Students should include post-graduation plans ranging from jobs (offered and accepted), continuing education, still seeking employment, or other outcomes.
- Internships: Students should include information regarding experience prior to graduation under the Internship portion.
 - Still Seeking Internship: If you do not have an internship lined-up yet for the summer, simply select this option.
 - Other Summer Experience: If you have a summer job, in the drop down menu select “Not seeking an internship” and include some details about your summer work.
 - Own Venture: If you started or are starting your own business, you may include this.
