

# Early Immersion Program 2016

The Hartford is offering a unique opportunity to a select number of students to explore more about the insurance industry and potential internship opportunities. Students selected will participate in a series of workshops, networking opportunities and a mini case competition. Selection is based on available space, resume and experience. A limited few will get an opportunity to interview for 2017 internship positions. **Apply Today!**

## **Qualification MUST HAVES:**

- Graduation date between May 2018 and May 2019
- Cumulative GPA of 3.2 or higher (out of 4.0 scale or equivalent)
- Demonstrated leadership experience and solid communication skills
- Record of high achievement, self-motivation, ability to multi-task and a strong work ethic
- Available to attend all specified dates in Hartford, CT\*
- Interest in any of the following career fields: Actuarial Science, Claims, Finance, Human Resources, IT, Management, Marketing, Operations, Risk Management, Underwriting or other insurance related careers

## **Onsite Dates:**

- June 17, 2016 – Introduction to The Hartford, learn about early career opportunities and company culture, and network with our Employee Resource Groups
- July 14, 2016 – Workshops focused on selling yourself to an employer, resume critique, interview tips, network with internship hiring managers
- August 4, 2016 – Case Competition judged by hiring managers

## **Participation Benefits:**

- Early access to internship screening
- Resume review and other professional development workshops
- Network with business professionals and other students in your field of interest
